The pool rules below provide guidelines to ensure a successful and fun pool season.

HHA Pool Rules - Apply to Residents and Guests

To ensure a safe and enjoyable pool environment:

Alcohol, Smoking, and Vaping are strictly prohibited within the fenced pool area.

Access to Pool

- Residents will have access to the pool only during pool hours and under supervision of a qualified lifeguard. Residents may not enter the pool if a lifeguard is not present.
- Residents must show an HHA pool tag to the lifeguard and sign-in on the sheet located by the lifeguard. Residents without a valid tag must leave the area immediately. Failure to leave may result in a trespass warning and contact with local authorities.
- The pool may be closed at any time due to weather, operational difficulties, unavailability of a lifeguard, or at the discretion of any board member or lifeguard. All residents and guests must vacate the pool area when it is closed.

Pool Tags

- Tags will be provided for all residents whose dues are current.
- Residents with unpaid dues may not use the pool, even as a guest of another resident.
- Pool access will be suspended for any resident whose HOA dues become delinquent after Memorial Day weekend, until the account is brought current.

- Water wings or floatation vests are allowed in the adult pool area. All other balls, toys, rafts, and tubes are at the lifeguard's discretion.

Off-Hours Use

- Off-hours use of the pool is strictly prohibited and may result in suspension of privileges and involvement of law enforcement, depending on circumstances.
